

A Letter from the Sellers

290 Turkey Run | A Letter from the Sellers

From the moment we moved into this home, we knew it was something special. Tucked into the pecan orchard, surrounded by mature trees and natural shade, it offered the kind of peaceful setting that instantly feels like home. The neighborhood quickly became part of our daily life. Our kids made close friends nearby, and being so close to the water with easy access to the community boat ramp made weekends effortless and memorable.

One of our favorite features is the sense of privacy this property provides. With an empty lot next door and a ranch directly behind the home, the back porch feels like a private retreat.

Whether it's morning coffee or an evening wind-down, the quiet and openness behind the house creates a calm, peaceful atmosphere that's hard to find.

The backyard is intentionally low maintenance, giving you more time to enjoy life rather than yard work. It's the perfect balance. Enough outdoor space to enjoy without sacrificing your weekends. The wrap around driveway also minimizes front yard upkeep, making mowing and maintenance quick and easy.

This home has been a place where memories were made, from time spent with neighbors to quiet evenings under the trees. It offers a rare combination of community, privacy, convenience, and natural beauty. We truly believe it's the perfect place to slow down, spread out, and enjoy the best of Meadowlakes living.
