

A Letter from the Sellers

329 Independence Dr. | A Letter from the Sellers

We have truly loved living in this home, and we hope you will love it just as much as we have.

One of the things we've appreciated most is how quiet and charming the neighborhood is. It has a peaceful, welcoming feel that makes it easy to relax and enjoy being home. The very best part of living here has been the neighbors. They are incredibly friendly, supportive, and always willing to lend a hand. It's the kind of place where people truly look out for one another, and that sense of community has meant so much to us.

The location is also wonderful. H-E-B is just a few minutes away, which makes everyday errands quick and easy. If you enjoy the outdoors, Lake Georgetown is only about a 10-minute drive away and offers beautiful places to walk, relax, and spend time by the water.

Some of our favorite moments here have been the quiet evenings spent outside—enjoying the peaceful neighborhood, visiting with neighbors, and looking up at the bright Texas stars.

This home has been a place of comfort, peace, and wonderful memories for us. We hope that when you move in, this house quickly feels the same way it did for us—not just a house, but a place where you feel at peace, connected to your neighbors, and truly at home.

Warm wishes,
The Veters
